NEWSLETTER VOLUME 2, 2– July 2009

THANKSGIVING

It is always good to begin by praising the Lord for His love for us. We are grateful for **YOU** our partners who pray, encourage and support us. Without you, we wouldn't be able to share the wonders of what God is doing here through you. God bless you.

ACTIVITIES

Christmas in June!

We were privileged to have Samaritan's Purse, a non-profit organization, come and present their Children's Shoebox Program at The King's Voice Academy (TKVA). We celebrated Christ with them as they distributed

shoeboxes full of goodies (i.e. school supplies, toothpaste, toys, candy, etc.) to over 300 of our school children. Samaritan's Purse collects donated items from individuals, churches and other organizations throughout the year and distributes to the poor and needy all over the world. We are so blessed to be chosen to receive.

Field Trip!

Over 65 Students from TKVA had the experience of a lifetime as they traveled in our newly acquired school bus to Tema and Accra for tours of the Tema Port and Harbour to see first-hand the operations of a major port and then onto the Kotoka Airport to learn about air travel with an upclose tour of the workings of an airport.

UPDATES

The King's Voice Academy is now ending their second full school year as exam week takes place. We are excited to announce the expansion to Junior High Level 1 classes in September this year. What a wonderful work of the Lord!

Life Christian University is now holding two classes each week (one graduate level and one undergraduate level). The many pastors and lay people wanting more in-depth knowledge of God and His Word come to learn. Truly God is stirring their hearts as they study Faith, Provision, Healing, Anointing, Christian Education and more.

NEEDS FOR CONTINUING THE KINGDOM BUILDING HERE IN GHANA

\$1,500 one time for roofing sheets to temporarily top three new classrooms for our upcoming Junior High classes or \$3500 to finish one permanent classroom (we have three ready to roof.)

\$6,000 per year – A year’s rent for the complex where we work and live. There are six duplexes and seven offices, and a multi-purpose room where we hold our Bible College classes. Included is our office furniture and many air conditioners. Average rent for each unit is less than \$50 per month.

\$1,000 monthly total for salaries of teachers and staff workers (grounds, security, and driver for the school bus). This pays more than 15 people each month. Eighty-one percent of the families who send their children to our school cannot pay the minimal school fees or feeding charges. We depend on our sponsors to help keep these children in school. Thank you for all those who participate in this sponsorship program. We have now established a scholarship pool to fund the neediest and pool our resources to help more children.

\$40 per month to sponsor a child - Help keep children in school and well-fed. See www.thekingsvoiceacademy.org to learn more and click on the Sponsor a Child link.

\$8,000 balance to make our poultry farm fully operational. This farm will generate revenue to our ministry including our school and it will employ several workers. We will have broilers and layers. Eggs have increased in price from about \$3.00 a flat (2 ½ dozen) to \$5.50 per flat in less than two years. It will surely help take care some of our needs and increase our ability to provide for the children. The balance needed will pay for the completion and equipping of the building, stocking of chicks, chicken feed for one year and salaries for three workers for four months until the farm generates its own revenue; a small price to pay for this investment.

We have provided **Pay Pal** to make it easy for you to give. Father, we pray to Your presence to be close to all who read this newsletter. Move them further into Your great love. Fill their lives with Your peace and comfort in these stressful times. Honor them with favor in the sight of man and bestow Your very own favor upon them. As they submit their lives to You more fully, fill those empty places with the greatness of Your Holy Spirit, empowering them to live victoriously always. Minister to their needs, even the ones they might think are insignificant to magnify the depth of Your care for them all. Thank You Father. You alone can handle all the needs we have, all the problems, all the circumstances we face day to day. So, all glory for the answers will always go to You. You are worthy. In Jesus’ Name we pray and praise You. Amen
