## Christmas Children's Program 2009

**J**OYFUL is the best word to describe each face on Christmas day as we celebrated with over 500 children from our village

communities. We danced, and worshipped. We celebrated by telling of God's wonderful Son Jesus and how He came to bring us peace. Then we shared a special meal together. There is nothing in the world like sharing the love of God in tangible ways

to those without hope, without peace, without good food or shelter. A small gift like this is remembered for a lifetime.

Our letter seems so small a way to express our appreciation for the blessings you brought to us, but we know God will reward you far above what we ever could. So for now, please accept our gratitude and thanks for making this day possible for so many. Just take a look and enjoy the rewards of knowing you played a major role in bringing God's love to all these children.

## THE SCHOOL VAN HAS ARRIVED SAFELY AT OUR SCHOOL!

Well here it is! You made this happen. This Ford 15-passenger van arrived on December 11, 2009 and through another sacrifice of giving and God's Grace, it was released a couple of weeks later from the

Port of Tema. This will ease the burden of overload we face each day as we transport the children to and from The King's Voice Academy. We are truly blessed. Although there are still expenses which need to be paid on it, we want to thank you so much for your generosity to help make this happen. So we end 2009 with God's great grace upon us and...

**2010 promises to be a year of great growth for the Kingdom of our Lord and Savior, Jesus Christ! We know His hand will be with us all, both in the U.S. and in Ghana. Next month we will recap the year and update you on what is to come!**

**God bless you and Thank you.**
