

The King's Voice Ministries
"Informing the Mind, Transforming the Heart"

THE KING'S VOICE MINISTRIES

We know the Lord is watching over your life and we thank God for you. It is exciting to share with you what is happening in the ministry and what God is doing here in Ghana. God is sooooo good!

IT IS TIME ONCE AGAIN TO CONSIDER OUR CHRISTMAS CELEBRATION WITH THE CHILDREN!

The plans are being put in place for another festive occasion as we celebrate Christmas and the wonderful gift of God's Word with many, many children and widows. Last year we shared a meal with over 400. We sang, worshipped, danced and heard the wonderful stories of Christmas and Jesus' birth.

There is NOTHING to be compared with taking a special day like Christmas, the highest of Holy Days and giving ourselves out to children. Your donations to purchase rice, chicken, vegetables and more blessed so many. Wouldn't you enjoy being a part of this celebration again this year?

You may contribute through PayPal by going to www.thekingsvoiceministries.org and click on donate or send a check or money order to

PO Box 1871

Morganton, NC 28680. Please specify **Christmas Children** as your purpose and be blessed. Thank you.

The King's Voice Academy (TKVA)

Our enrollment is up to 514 as we started JHS one classes this new school year. If you figure the population of Afife and surrounding villages is 4,500, we have over 12% of the total population! WOW! Another temporary structure has been erected and we changed the layout so that now the children have a large play area for football and other activities.

Our teachers and staff number 21 and we are very pleased with their performance. With all the students and staff, our newly acquired bus is overfull. We took a small van purchased as a trotro (taxi) off the road to help at the school. It makes thee to four runs to and from the surrounding areas with our children each day. We are praying in another medium size bus or large van and expect them soon. With four computers for our ICT classes and the children are catching up in the Age of Information.

Water Project Update

A pipe stand has been put in at the school so we're benefitting from the water system project! The Afife Water Board is about to expand the system to reach out to another small community nearby for many more people to benefit from the good water.

Farming

To help supplement the feeding of the school children, we planted about 1 ½ acres of maize and harvested a good crop. A 1 ½ acre crop of sweet potatoes is now being harvested. It has produced huge potatoes, the majority which is being sold to supplement the school needs. Pray for rain because a second crop of maize is planted and we are enlarging our "farm". We are grateful the God for this first harvest.

International Cooperating Ministries (ICM) Partnership

We are now partners with ICM whose purpose is to grow the kingdom of God by helping rural village churches build small chapel buildings and teach people the Word of God. We are receiving applications for the first two chapel buildings and the biblical training is already underway. As ICM's partner, we represent them in the entire country of Ghana. There is even a provision now for church/orphanage buildings which will help take care of so many children.

Liberty Centre A/G

Even though this church itself is not part of the ministry, it plays a vital role. We are so blessed by our chapel and host many visitors, conferences and have our general assemblies each morning for the school children. To see 500+ children worshipping the Lord blesses us so much. They pay attention and hear the word of God! The church membership is growing as people are coming to the Lord and many young leaders are emerging. In February, we planted a new church in a remote village called Ohawu and plan to open another branch church soon.

PASTOR EMMANUEL IS BACK!

After a month-long visit to the U.S., Pastor Emmanuel returned to us in Ghana with many wonderful praise reports of lives being transformed by the power of the Lord Jesus. He visited several states and in each area, the doors were opened for him to preach the Good News of Jesus Christ. Many received salvation, deliverance and miraculous healings. We are grateful to have him back.

Praise the Lord!

You can see that God is truly fulfilling His vision in Afife and far beyond. We are privileged to be chosen to help lead the way here. It is all about bringing lost souls to Jesus!

OUR THANKS TO YOU!

To those who have given to this ministry and prayed for us, we thank the Lord for the role you play in making so much of this happen. Please know that these children of God are your "fruits" too. To those who haven't yet, we know God will place abundance in your hand to be able to be a blessing and receive the greatest gift of all. The gift of life!
